God's Gift Shop

Welcome to the 2011 catalog! If you are looking for meaningful gifts for your family, friends and colleagues, we hope you will find everything you need right here! The gifts you choose in the name of others will bring joy and hope many times over to families throughout the world. We hope that you will find the perfect gift for your loved ones.

Please read the following instructions before you begin.

Here's How It Works

God's Gift Shop is an alternative gift fair that allows you to buy Christmas gifts that truly honor the Christmas spirit. You can buy "items" from local and global missions that Dorchester is already involved with for your loved ones. For instance, if you have a father-in-law who is a contractor, you could buy a hammer for Habitat for Humanity in his honor. Odds are he doesn't need another hammer, but he would be glad for one to be given to Habitat to help build a home for a family in need. This year, let's try to focus our gift-giving on those who need it more than we do.

1. Read the catalog carefully and select gifts you would like to give in the name of family, friends and colleagues. Our catalogue offers a wide selection of gifts, with both local and global options, so that you can find the right gift for each person. You may, of course, purchase gifts in your own name
2. Complete the God's Gift Shop Order Form, which will provide an accurate record for us as we receive your orders.
3. You may shop by placing your order with a check in the offering plate any Sunday or by dropping off your order in the church office up until December 18th. Orders received in the church office before noon on Wednesday will be processed and be available for pick up after worship the Sunday immediately following.
4. Gift Cards with envelopes are available for you to give to persons in whose name you have purchased gift items. Card inserts to explain each gift will be included, also. For example, the insert accompanying the purchase of a sheep from Heifer Project International will explain how the gift will be used to improve the lives of families who live in the area.

St. Joseph's home for boys was founded in 1985 to provide a safe haven for homeless street boys abandoned by their families. In the mid 1990's the boys undertook a project of mercy by agreeing to take over an orphanage for disabled children naming it Wings of Hope. DORCHESTER PRESBYTERIAN
CHURCH

We hope you found a way to show God's love
through your Christmas shopping this year.

Jesus said,

*"For I was hungry and you gave me food,
I was thirsty and you gave me something to drink
... I was naked and you gave me clothing ...
Truly I tell you, just as you did it to one of the least of these
who are members of my family, you did it to me."*
